Sea Gems Cornwall, a family run company with over 35 years' experience in design- led jewellery and gifts is launching brand new and exciting collections for spring 2019. Beautifully presented, high quality original products for boutiques, gift shops and jewellers who are looking for something different, but at affordable prices.

Designed in Cornwall, we have created unique silver jewellery and gift collections that capture the essence of our iconic landscape, nature, wildlife and heritage.

Our "Silver Origins" boutique jewellery brand features contemporary handcrafted 925 sterling silver, cleverly combining high polished and textured surfaces together with gold vermeil or semi – precious stones enhancing the beauty, spirit and story of each piece. Inspired by our roots here in Cornwall, you will discover striking organic designs, the intricate beachcomber range, delicate botanical and wildlife designs and fun, whimsical motifs that celebrate love and life.

The "Celtic Lands" silver collection evokes and celebrates our rich heritage with timeless motifs and elaborate knot work. Launching new designs that give fresh look and feel to the already successful brand.

The art of fine enamelling, with its fusion of vibrant colours creates truly unique jewellery and gifts in our Mackintosh, Celtic and nature ranges, with every piece individually handcrafted to bring to life the purity of each design. Inspired gift ranges include pens, bookmarks, compact mirrors, pillboxes and scarf- rings.

We are one of the most well established and innovative suppliers to the jewellery and gift trade, with a proven track record. Exclusively designed in Cornwall with beautiful packaging and POS available, easy online ordering and knowledgeable customer service.
